

at-risk firms, and the delivery of employment and training activities to address risk factors;

(5) The marketing of business services to appropriate area employers, including small and mid-sized employers; and

(6) Assisting employers with accessing local, State, and Federal tax credits.

(d) All business services and strategies must be reflected in the local plan, described in 20 CFR 679.560(b)(3).

§ 361.440 When may a fee be charged for the business services in this subpart?

(a) There is no requirement that a fee-for-service be charged to employers.

(b) No fee may be charged for services provided in § 361.435(a).

(c) A fee may be charged for services provided under § 361.435(b) and (c). Services provided under § 361.435(c) may be provided through effective business intermediaries working in conjunction with the Local WDB and may also be provided on a fee-for-service basis or through the leveraging of economic development, philanthropic, and other public and private resources in a manner determined appropriate by the Local WDB. The Local WDB may examine the services provided compared with the assets and resources available within the local one-stop delivery system and through its partners to determine an appropriate cost structure for services, if any.

(d) Any fees earned are recognized as program income and must be expended by the partner in accordance with the partner program's authorizing statute, implementing regulations, and Federal cost principles identified in Uniform Guidance.

§ 361.500 What is the Memorandum of Understanding for the one-stop delivery system and what must be included in the Memorandum of Understanding?

(a) The MOU is the product of local discussion and negotiation, and is an agreement developed and executed between the Local WDB and the one-stop partners, with the agreement of the chief elected official and the one-stop partners, relating to the operation of

the one-stop delivery system in the local area. Two or more local areas in a region may develop a single joint MOU, if they are in a region that has submitted a regional plan under sec. 106 of WIOA.

(b) The MOU must include:

(1) A description of services to be provided through the one-stop delivery system, including the manner in which the services will be coordinated and delivered through the system;

(2) Agreement on funding the costs of the services and the operating costs of the system, including:

(i) Funding of infrastructure costs of one-stop centers in accordance with §§ 361.700 through 361.755; and

(ii) Funding of the shared services and operating costs of the one-stop delivery system described in § 361.760;

(3) Methods for referring individuals between the one-stop operators and partners for appropriate services and activities;

(4) Methods to ensure that the needs of workers, youth, and individuals with barriers to employment, including individuals with disabilities, are addressed in providing access to services, including access to technology and materials that are available through the one-stop delivery system;

(5) The duration of the MOU and procedures for amending it; and

(6) Assurances that each MOU will be reviewed, and if substantial changes have occurred, renewed, not less than once every 3-year period to ensure appropriate funding and delivery of services.

(c) The MOU may contain any other provisions agreed to by the parties that are consistent with WIOA title I, the authorizing statutes and regulations of one-stop partner programs, and the WIOA regulations.

(d) When fully executed, the MOU must contain the signatures of the Local WDB, one-stop partners, the chief elected official(s), and the time period in which the agreement is effective. The MOU must be updated not less than every 3 years to reflect any changes in the signatory official of the Board, one-stop partners, and chief elected officials, or one-stop infrastructure funding.

§ 361.505

34 CFR Ch. III (7–1–17 Edition)

(e) If a one-stop partner appeal to the State regarding infrastructure costs, using the process described in § 361.750, results in a change to the one-stop partner's infrastructure cost contributions, the MOU must be updated to reflect the final one-stop partner infrastructure cost contributions.

§ 361.505 Is there a single Memorandum of Understanding for the local area, or must there be different Memoranda of Understanding between the Local Workforce Development Board and each partner?

(a) A single “umbrella” MOU may be developed that addresses the issues relating to the local one-stop delivery system for the Local WDB, chief elected official and all partners. Alternatively, the Local WDB (with agreement of chief elected official) may enter into separate agreements between each partner or groups of partners.

(b) Under either approach, the requirements described in § 361.500 apply. Since funds are generally appropriated annually, the Local WDB may negotiate financial agreements with each partner annually to update funding of services and operating costs of the system under the MOU.

§ 361.510 How must the Memorandum of Understanding be negotiated?

(a) WIOA emphasizes full and effective partnerships between Local WDBs, chief elected officials, and one-stop partners. Local WDBs and partners must enter into good-faith negotiations. Local WDBs, chief elected officials, and one-stop partners may also request assistance from a State agency responsible for administering the partner program, the Governor, State WDB, or other appropriate parties on other aspects of the MOU.

(b) Local WDBs and one-stop partners must establish, in the MOU, how they will fund the infrastructure costs and other shared costs of the one-stop centers. If agreement regarding infrastructure costs is not reached when other sections of the MOU are ready, an interim infrastructure funding agreement may be included instead, as described in § 361.715(c). Once agreement on infrastructure funding is reached,

the Local WDB and one-stop partners must amend the MOU to include the infrastructure funding of the one-stop centers. Infrastructure funding is described in detail in §§ 361.700 through 361.760.

(c) The Local WDB must report to the State WDB, Governor, and relevant State agency when MOU negotiations with one-stop partners have reached an impasse.

(1) The Local WDB and partners must document the negotiations and efforts that have taken place in the MOU. The State WDB, one-stop partner programs, and the Governor may consult with the appropriate Federal agencies to address impasse situations related to issues other than infrastructure funding after attempting to address the impasse. Impasses related to infrastructure cost funding must be resolved using the State infrastructure cost funding mechanism described in § 361.730.

(2) The Local WDB must report failure to execute an MOU with a required partner to the Governor, State WDB, and the State agency responsible for administering the partner's program. Additionally, if the State cannot assist the Local WDB in resolving the impasse, the Governor or the State WDB must report the failure to the Secretary of Labor and to the head of any other Federal agency with responsibility for oversight of a partner's program.

§ 361.600 Who may operate one-stop centers?

(a) One-stop operators may be a single entity (public, private, or non-profit) or a consortium of entities. If the consortium of entities is one of one-stop partners, it must include a minimum of three of the one-stop partners described in § 361.400.

(b) The one-stop operator may operate one or more one-stop centers. There may be more than one one-stop operator in a local area.

(c) The types of entities that may be a one-stop operator include:

(1) An institution of higher education;

(2) An Employment Service State agency established under the Wagner-Peyser Act;
